THE REVIEW

"High Point for High Point;" that's the slogan. Keep your money in High Point; trade with High Point merchants; buy everything you can in High Point at all times; that's the foundation for a Greater High Point.

The Review is read and appreciated by that large body of people who buy four-fifths of the goods sold in High Point--the laboring people

MARRIAGE WEDNESDAY

At St. Edwards Catholic church, Wednesday evening, Miss Marguerite Earle Walker was united in marriage to Mr. Wm. H. Halker. The church had been decorated for the occasion and the marriage was quite a pretty one. The ceremony was performed by Rev. Father Willibald. Miss Placyde Upchurch of Greensboro was maid of honor, and the bride was supported by her brother, John W. Walker, Jr., who gave her away. She wore a beautiful suit of golden brown, with hat gloves and shoes to match, and carried sweet peas. Immediately after the ceremony a six course dinner was served at the home of the bride. The bride is the eldest daughter of Mr. and Mrs. John W. Walker, and is well and favorably known. The groom is the son of Mr. Frank Halker of this city, and is a prominent young business man.

FIREMEN'S CHRISTMAS FUND.

As is customary, the citizens of High Point, including all classes, cheerfully contribute each year, to the Firemen's Christmas Fund, and every citizen is solicited again this year, with the hope that our contributions may reach a larger amount than heretofore.

During the year 1912 we have been very fortunate in escaping disastrous fires, due very largely to the efficiency of our splendid fire department, and as this service is entirely voluntary on the part of the firemen, it behooves every good citizen of the city to do his full part in contributing liberally to this fund.

Collectors will wait on our people beginning today, and any courtesies extended to them will be appreciated by all concerned.

A complete list of all contributions will be published as soon as the work shall have been completed. Respectfully,
Fred N. Tate, Mayor.

A BREAK DOWN

Hon. Oscar Underwood has suffered a physical breakdown and his physician has urged retirement from active work for several months. It is a national calamity to the democrats who were expecting him to be the leader in the tariff revision.

Marriage Sunday

Ernest White and Miss Bertha Briggs were united in marriage Sunday at noon at Deep River church, Rev. Albert Peeler, officiating. The ceremony was of the impressive yet unique Quaker ceremony. The happy young couple are from the Deep River neighborhood. The bride is one of the teachers at the Welch school house of which D. E. Hammer is the principal and who witnessed the ceremony.

Dies From Whiskey

Friday night, Doc Wassner and Tom Snider, living south of Trinity, got too much Christmas whiskey and became dead drunk. They were locked up in the store of A. W. Jarrett to get sober. During the night Wassner died, it is supposed from too much whiskey and cold.

HIGH POINT TO HAVE A MODERN MUNICIPAL BUILDING

Mayor Tate is intrusting himself in a modern municipal building for High Point, to be located on the corner of Commerce and Rankin Streets, which the city recently purchased from the Snow Lumber Company. The plans call for a building so arranged that all the ground floor, except the front end towards Commerce street (where sufficient space will be reserved for the police department) will be in sections for the central market. The second floor, which will have its entrance on Commerce street will be arranged for the offices of the city administration, including recorder's court room, lawyers room, waiting room, mayor's office, council chamber, tax collector's office, auditor's office and also office for the superintendent of the water and light departments. The third floor will probably be used for a hall or auditorium. Preparations have also been made for a fire department on the south end of the lot and forming a part of the municipal building. In the rear of this section of the building will be erected the city jail and the entrance from same to the court room will be by an enclosed passage running from the rear. The market house and fire department will face Rankin street. This plan will give High Point one of the best arranged municipal buildings anywhere, roomy enough to take care of the city's future growth. It is hoped to have the plans in more definite shape and that work will commence on the building in the near future.

BLAIR ACQUITTED

In the trial of the State vs. Blair for the killing of Geo. C. Thompson at Greensboro, a month or more ago, the jury rendered a verdict of not guilty after deliberating for several hours. The jury evidently believed Blair's version of the story, where he claimed that Thompson assaulted him and he shot in self defense. The verdict was a surprise to many. It was the general opinion that he would at least receive a short sentence. The scene after the verdict was rendered was touching. The wife and mother of the defendant wept for joy, embracing each other and also each one of the jurors.

NO PAPER NEXT WEEK

As previously announced there will be no paper next week, as it is the annual custom with weeklies to miss one issue during the holidays. The following week the paper will start on another 12 months journey to you. Wishing one and all a merry Xmas and a happy new year.

Two negro boys were arrested here Friday at the instance of the Chief of Police of Shelby who stated that they were wanted for stealing \$200 in money. They were soon nabbed by the officers here. About \$40 of the money was found on them. They had spent most of it. The Shelby officer arrived Sunday for his prisoners.

A VALUABLE FOLDER

Columbia, S. C., December 20.—"An Invitation to American Farmers" is the title of a handsomely illustrated folder just issued by the Southern Railway calling attention to the Fifth National Corn Exposition to be held at Columbia, January 27-February 8, 1913. A large number of these folders will be circulated among northern and western farmers and they will also be placed in the hands of farmers throughout the south.

The folder not only sets out the attractions of the National Corn Exposition but gives interesting facts concerning the agricultural possibilities of the south which should appeal especially to farmers in other sections of the United States.

In getting out this folder the Southern Railway is aiming to cooperate for the success of the National Corn Exposition at Columbia and at the same time to call attention to the south as a corn country in the hope of attracting desirable farm settlers to this section.

The majority of people whom you talk to say that Piedmont was the proper name for our new county, and they are much more impressed with that name than the one later chosen, Aycock, but since a meeting has been held, and it was decided to change it, by those present, of course it is policy and the only thing to do is to work just as hard for Aycock county as we did for Piedmont. We say this to pacify those who did not believe in the change.

Santa Claus Letters and Prizes

The Review is publishing the last of the Santa Claus letters received up to the time of going to press. There were several good ones, in fact all did fine, and it is hard to decide between three or four of them but we think a careful reading of the letters, together with the sentiment expressed, all will agree that those named below won over the others just a few points. The winners are:

GIRLS—First Prize, Doll—Miss Alma Troutman, Station B, High Point, N. C.

Second prize, Doll—Miss Elizabeth White, High Point, N. C.

BOYS—First Prize—Deering Tolley, Brown Summit, N. C.
